Home Phone: _____ Work: _____

Cell: _____ E-mail address: _____

Club Name _____

Please list anyone coming with you that will also ride in the boat:

(Fax in, scan and e-mail, or cut on the dotted line above and mail in.)

General information

- 6:00 am Volunteers launch boats and beach them in the cove immediately behind the Catfish Bay marina. Look for the big tent. All boater volunteers must register with Camp Cavett staff.
- 6:30 am Mandatory volunteer briefing. Safety discussion, Kids' Derby rules, lake and weather conditions. Tackle & bait distributed to boaters. Bring water and ice.
- 7:00 am Kids arrive by bus. Life jackets will be available for kids but they are ski-vest type so if you have extra medium or small adult size life jackets, please bring them. Kids MUST wear life jackets at all times. Load kids on boats - 2 per bass boat, 4 per pontoon or larger boat. Photographers will take photos of each boater and his/her kids and counselors coming back in from fishing.
- 7:30 am Kids' Derby take-off. Idle out. Non-boater volunteers will assist kids fishing from shore if needed.
- 11:00 am Derby Weigh-in. Anglers with fish will get weigh-in bag from tournament staff and proceed to holding tanks on shore. FREE cook-out for everyone!
- 11:30 am Prizes awarded for largest bass, largest striper, largest catfish, largest rough fish (carp, gar, buffalo, etc.) and largest bag of sunfish, crappie or white bass. Please try to keep fish alive – they will be placed in a large display tank for all the kids to see. Fish will be released afterwards.
